

FORUM EXPECTATIONS

- To extend a warm welcome to all
- To provide networking opportunities with others
- To cascade and disseminate information at local, regional, and national levels
- An agenda will be identified before each meeting
- Invitations will be extended to guest speakers
- Meetings on rotational venue basis
- Chairperson and secretary on yearly rotational basis

Examples of PENN Forum Projects

- Organise annual Forum study day
- Disseminate all Forum implications for practice
- Publication within Forum group
- Contribute to Yorkshire Neonet Website

Pactice Development
And
Education
For
Neonatal Nurses
In The
North East

AIMS

Our aim is to enhance neonatal care through practice development and education.

OBJECTIVES

- To provide a supportive environment that empowers practitioners to advance practice from within an evidence base
- To adopt a proactive and collaborative approach to enhancing practice at local, regional national levels
- Foster a reciprocal approach to networking through discussion, debate and dissemination
- To represent the PENN Forum to colleagues by utilising a positive and motivational approach
- Establish credibility as an expert resource by utilising research and evidence based practice
- To formalise the concept of practice development by raising its profile through innovative and productive processes

Conditions Of Membership

- Dedicated role or interest in practice development or education
- To attend meetings at least annually
- To actively contribute to the group
- To communicate via telephone or email
